

TUBING CUTTERS

Cat. No. 151

The "quick acting" tubing cutter has a range of 1/4"- 1-5/8" and has a fold-a-way reamer. *Adaptable to cut plastic and metallic tubing.*

Cat. No. E3469 Replacement Cutter Wheels

PIPE CUTTERS

Cat. No. 2A

This heavy duty pipe cutter handles up to 2" pipe. *Wgt: 7 lbs.*

Cat. No. F514 Replacement Cutter Wheels

PIPE REAMERS

Cat. No. 2S

Spiral Ratchet Reamer

SOIL PIPE CUTTERS

Cat. No. 246

This ratchet soil pipe cutter handles 1-1/2"- 6" clay, cast-iron or cement pipe and 4" class 22 water main. *Wgt: 25 lbs.*

MANUAL RATCHET THREADERS

Cat. No. 36475

1/2"- 2" 12R Ratchet Threader Set w/ case

Cat. No.	Size	Description	Dies Only
38555		12R Ratchet & Handle Only	
37465	1/8"	12R RH, NPT, H.S. Die Head	37855
37470	1/4"	12R RH, NPT, H.S. Die Head	37860
37475	3/8"	12R RH, NPT, H.S. Die Head	37865
37480	1/2"	12R RH, NPT, H.S. Die Head	37870
37485	3/4"	12R RH, NPT, H.S. Die Head	37875
37490	1"	12R RH, NPT, H.S. Die Head	37880
37495	1-1/4"	12R RH, NPT, H.S. Die Head	37885
37500	1-1/2"	12R RH, NPT, H.S. Die Head	37890
37505	2"	12R RH, NPT, H.S. Die Head	37895
97375		Case; holds all the above	

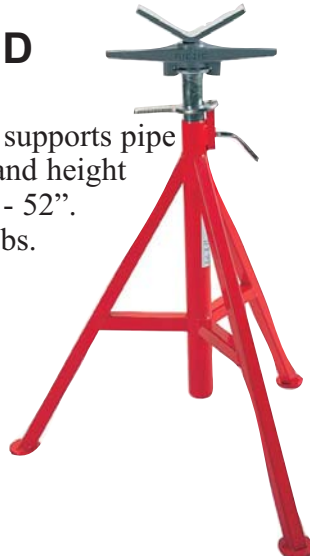

PIPE STAND

Cat. No. VJ99

V-head design supports pipe up to 12" dia. Stand height adjusts from 28" - 52".

Capacity: 2,500 lbs.

Wgt: 23 lbs

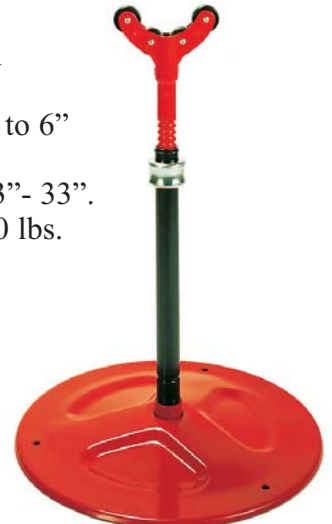

ROLLER HEAD PIPE STAND

Cat. No. 46

This roller head support stand accommodates up to 6" pipe and is height adjustable from 23"- 33".

Max Wgt: 2,500 lbs.

Wgt: 23 lbs.

TRIPOD CHAIN VISE

Cat. No. 460

6" pipe capacity. *Wgt: 47lbs*

POWER DRIVE

Cat. No. 700

This hand held power drive will accommodate the 1/8"- 2", 12R heads above and will thread up to 6" pipe using a 141 or 161 geared threader.

Cat. No. B171X

Case only; holds power drive, and up to 6 die heads & accessories.

Cat. No. 775

Support Arm for 700 Power Drive

Cat. No. 774

15/16" Square drive adapter for 141 & 161 geared threaders.

GEARED THREADERS

Cat. No. 141

Adjusts to thread 2-1/2", 3", 3-1/2" and 4" pipe with one set of dies. Wgt: 93 lbs.

Cat. No. 161

Adjusts to thread 4", 4-1/2", 5" and 6" pipe with one set of dies. Wgt: 158 lbs.

Both models include 1 set of NPT, High Speed Dies. Both

models can be driven with 700 or 300 power drives using appropriate drives & accessories.

REPLACEMENT DIE SETS

Cat. No. 38120 141 Die Set Only

Cat. No. 38155 161 Die Set Only

300 POWER DRIVE ATTACHMENTS

POWER THREADING MACHINES

Cat. No. 300COMPLETE

Complete 1/8"- 2" power threading set includes power drive and all components pictured below.

The 300 Drive Head can also be used to drive both 141 (2-1/2"-4") and 161 (4"- 6") Geared Threaders with appropriate drive bar and supports.

Cat. No.	Description	Weight
300	Power Drive w/ Foot Switch	94 lbs
1206	Stand	31 lbs
