

Tool Repair & Maintenance

Serving the Electrical
Utility Industry since 1960

Don't Replace – Repair!

The T&D industry has trusted Hi-Line Utility Supply Co. with tool repair and reconditioning for nearly half a century. Hi-Line's certified repair house is managed by highly skilled and trained technicians with the experience, tools and a warehouse stocked with thousands of parts and components to insure your tools are repaired quickly and expertly. Hi-Line is certified by dozens of manufacturers to be sure your repair is in compliance with manufacturer specifications.

Save Hundreds of Dollars!

Repairing damaged tools can save companies hundreds of dollars over the cost of buying them new. Hi-Line is certified by many leading manufacturers (see below), so companies can be certain that their tools are repaired according to manufacturer's specifications. Whether electric, hydraulic, gas, battery or fiberglass, Hi-Line is your one source for accurate and fast tool repair and restoration.
