

**Do you have
fiberglass equipment
that looks like this?**

Is it safe?

**Hi-Line restores and tests
Hot Sticks, Arms & Ladders
to meet ASTM standards
for 1/2 the cost of new.**

Schedule a **FREE restoration
trial and we'll prove it.**

"Hi-Line's restoration program provides tremendous cost savings while ensuring the safety of our linemen."

- Gary, Tool Foreman
M.J. Electric, LLC

Serving the Electrical
Utility Industry since 1960

**The products you want
The testing you need
The delivery you deserve**
