For Immediate Release

AND THE WINNER IS...

Hi-Line Utility Supply Co. is pleased to announce the winner of its 2008-9 DeWalt Tool Kit Giveaway Contest. The lucky winner is Ms. Candy Woodward, a 24-year employee of Harlan Electric in Rochester Hills, MI.

The DeWalt Power Tool Combo Kit contains a hammerdrill drill and driver, a circular saw, a reciprocating saw, a floodlight, chargers, batteries, and saw blades, all packaged in a handy carrying case. The kit is valued at \$529.99

Ms. Candy Woodward, Harlan Electric Company

Ms. Woodward said she was thrilled to be named a winner and has several projects in mind for the new tool kit. A long time customer of Hi-Line Utility Supply, Ms. Woodward's name was entered in the contest along with thousands of other Hi-Line customers through her request for Hi-Line's free 2009 catalog which was delivered early this year.

Hi-Line's 2009 catalog is one of the transmission and distribution industry's most comprehensive and useful high voltage specialty resources. Ms. Woodward said she relies on the Hi-Line catalog every year. "Hi-Line is one of our major tool suppliers," she said.

Harlan Electric Company, a subsidiary of the MYR Group, based in Rolling Meadows, IL provides electrical services for local utility Detroit Edison as well as MDOT and local municipalities and counties. In addition to overhead work, Harlan Electric also provides street lighting and underground utility work.

About Hi-Line Utility Supply Co. Since 1960, Hi-Line has been a trusted resource to the transmission and distribution industry for specialty high voltage tools and equipment to keep linemen safe and power lines working. Visit www.hilineco.com to learn more about Hi-Line's 10,000 products in inventory, Hi-Line's many unique and money saving services, such as its Rubber Goods Change Out™ program, and the hundreds of top quality manufacturers Hi-Line represents.

Hi-Line Utility Supply ran this ad in publications and on its website last year to make people aware of the new 2009 Hi-Line Tool Catalog
