The M18 FORCE LOGIC 15T Crimper is the Easiest Way to Crimp. Designed to reduce peak muscle effort, the unique in-line design and center-balanced grip enables use with one hand. Being the lightest 15T crimper, along with a 350° rotating head, provides the easiest alignment. This crimper is fully compatible with all industry standard P-Dies and P-to-U Die Adapters, enabling users to utilize existing dies.

The M18 Cable Stripper Kit vastly improves the cable stripping experience and with no exposed blades, it provides for safer stripping. The cable stripper's compact, right-angle design allows you to maneuver it more easily in tight spaces with less strain on the wrist. The bushing design and adjustable depth gauge deliver cleaner, more accurate and consistent strips across all sizes. The cable jacket stripping tool is compatible with Milwaukee® bushings as well as other competitive quick-change bushings. Choose from the free kit for either copper or aluminum with your M18 FORCE LOGIC 15T Crimper Kit purchase.
