Track, Trace & Transmit Crimping Tools

The new BURNDY® PATRIOT® PAT750T3 Series has all the exceptional features of its PATRIOT predecessor, plus a new ergonomic design and state of the art technology. The TRACK TRACE TRANSMIT intelligence feature provides critical crimping information for all projects. Data collected by the PAT750T3 provides users a new level of confidence that their BURNDY crimper is performing to specification and enhances the application of the BURNDY® Engineered System.
